**2017-2018 Season Outlook: Our season will come down to our matchup against Lehigh. They are just ahead of us at 5-1. If we can take care of business in our one game against Stevens Tech, then we just need to take 2 of 3 from Lehigh to win the conference. Lehigh hits extremely well, so we will have to lean on our strong pitching and defense to take those games.**

**Manager Quote: We feel that we have the most depth of any team and that if we play to our strengths and our game, not down to our opponents, we will come out of the conference on top.**

**Players to Watch:** So. Nick Arpino, 1B/P. Fall '17 Stats: .333 AVG, 7 RBI, 4.71 ERA, 21 IP, 26 K's  
So. Jacob Stuckelman, 3B. '16-'17 Stats: .359 AVG, 5 RBI

**Biggest Rival:** SUNY Cortland

**Best Player Nickname:** Fancy Pants (Jacob Stuckelman)

**2017-2018 Season Outlook:** We are excited for the return of Stuckelman and Moritz, two of our best players who were abroad in the fall. We fielded a very young team in the fall, and look forward to improving as a team for the spring semester with a better balance of experienced and new players. Nick Arpino was by far our fall MVP, second on the team in batting average from the 3-4 spot and leading in innings pitched. While only going 1-2 as a starter, he easily could have been 3-0 if our bats gave him a little more help. He will certainly be crucial to our success in the spring.
