**2021-2022 Season Outlook: Our D2 team is made up of almost entirely rookies, and even the three returning players had only played a couple games in a PSBC uniform prior to this season. Despite our inexperience, we believe the talent level of this group is just as strong, if not stronger than PSBC D2 teams of the past, backed by a deep pitching staff and strong core of young position players. Our goals remain to win a loaded Chesapeake Region and compete for a World Series title.**

As much as everyone wants the end goal to result in a championship, we have to take everything one step at a time and I believe we will eventually get to where we need to be.
