THE OFFICIAL GAME DAY PROGRAM OF

Family, Friends, and Fans of the NCBA,

We welcome you to Lloyd Hopkins Field here in beautiful Alton, IL. We are excited to have you in attendance for the Thirteenth Annual NCBA Division II World Series. For twenty-one years now, student athletes from colleges and universities across the country have competed for the chance to play for a National Championship.

For those who are not familiar with the concept of Club Baseball, a Collegiate Club Baseball Program allows students the opportunity to continue playing competitive college baseball after high school. The beauty of Club Baseball is that these organizations are student run. Scheduling, travel planning, equipment purchasing, fundraising, and the rest of the off field management falls directly upon the shoulders of the elected student officers. When young motivated college students put forth the required effort to run a successful Club Baseball Program just for the opportunity to continue playing, what you end up with are perfect ball players. By that we mean those who play for the sheer excitement of the game. They play for themselves. They play for the love of the game. For this reason alone, each one of these "Ball Players" is already a champion. Please take the time to congratulate them on the hard work they've put forth to make their Club Baseball Program successful enough to earn a chance to compete for the National Championship.

We would like to extend our appreciation to the Alton River Dragons, Wells Fargo Advisors, Alton Sports Tap, The Loading Dock, Mac's, Roper's Regal Beagle, Aerie's Resort, Argosy Casino, Alton Memorial Hospital, Rawlings Sporting Goods, Easton, The Game, and the Best Western Premier for all their efforts to make this World Series a success. Without their support and enthusiasm, this event would not have been possible. We would also like to thank you, the families and fans, for coming and supporting Collegiate Club Baseball all across the United States. We have experienced tremendous growth within our organization, and as the NCBA continues to develop in the upcoming years, we hope that your interest will too. Thank you again for coming to the ballpark and we're sure you'll enjoy all the action.

Sincerely,

Sandy Sanderson

“We are excited about making a second consecutive appearance in the NCBA Division II World Series. To make it back to the National Tournament is not an easy task. However, with nearly an entire team of returners who have made it a goal to defend their National Championship, these young men worked hard all year to ensure getting another opportunity to play for the crown Jewel of Division II NCBA Baseball. Go Lopes!”

"This year has been an exciting year for us as we have lots of young players who have developed quickly. We have had a very successful year and easily secured the Rocky Mountain- Central title before being the only team to overcome adversity and win their regional after losing one game. We are very excited to show out at the World Series and show the NCBA what air power is about."

"After a devastating loss in Regionals last year, our DII team has been nothing but hungry for another shot at making it to the Regional tournament this year. After another very successful season, consistently sitting as a top 10 team in the nation, and sweeping the Regional tournament, we are very confident coming into this year's World Series. With the depth in our lineup and passion that this team shows each and every day, we are ready for the opportunity to compete and win at the highest level."

"The Eagles have been a force all season long, taking down great DII and DI teams on the journey to Alton. From losing the Duel in the Dells tournament on a walkoff, winning the series against DI Iowa State, and sweeping our regional tournament, every single member has bought in. With bats all the way down the lineup and a young core of top tier pitching to back it up, this team is never out of a game. We look to showcase that against the best in the country."

One day you'll long to remember your teammates, the play,

One day.

But today is NOT that day.

You just play the game you love, I'll capture the memories.
