We'll begin our Spring season with some games in Panama City in early March followed by some away series and home series back in Boston. With every player from the Fall team returning, along with Will Blakely and Zach Mathews returning from injuries, we expect to see improvements across the board while "Coach Badz" continues to build chemistry between our mix of experienced seniors & large lower classmen group. Although it's going to be a steep hill to climb, we hope to bounce back and put ourselves in playoff contention by the end of April.

**Manager Quote:** "Once we overcome some minor obstacles, we are going to be a very tough team to face." ©
