2025 Spring Season Outlook: Following a dominant fall, the Marist Club Baseball team aspires to continue their winning ways in the spring. Making the playoffs was a big step for the team last season; with minimal roster turnover, we are determined to make even larger strides. While this year’s recruiting class has seamlessly acclimated and contributed to a largely identical roster, there is more help on the way. Three members will return from their overseas journey, giving us even more depth and talent. Our goals remain constant: have fun, stay together and keep driving towards that road. We are thrilled to be in the position we are in and excited for the potential that the spring provides.

Manager Quote: “We’re so tough and so outside.”
