Team Name: UW - La Crosse

Mascot: Eagle

City/State: La Crosse, WI

Captain(s)/Coach(s): Evan Nyhouse, Mac Olson, Korey Fricke, Kaden Thauer

2023/2024 NCBA Season Performance (Last Year):

- 2023/2024 NCBA Season Record: **18-5**
- Final Conference Ranking: **Second Place in the NCBA Northern Plains-Central Conference**
- Regional Tournament Results? **Lost and Took 2nd Place in the Winner-Take-All Championship Game in the Northern Plains Regional Tournament**
- World Series Results? **N/A**
- Additional Achievements/Notables: **Against the odds, we had an amazing run over the past spring semester. We had to go undefeated to make it back to the NCBA Northern Plains Regional tournament, and we did which earned us the at-large bid for the tournament. In our first game of the tournament, we played a close, wire-to-wire game against a strong UND team and ultimately lost. Then facing a lose-and-you're-out situation, the Eagles rose to the occasion, winning the next two games and making it to the championship. We triumphed in the first championship game but ultimately ran out of steam in the final game, just missing the chance to go to the D2 World Series. Throughout the year, the Eagles battled with in-conference opponents, delivering many outstanding performances by our team members and exciting new additions.**

Fall 2024 Performance (This Year - If Applicable)

- 2024 Fall Record (NCBA Sanctioned Games Only): **9-0**
- Additional Achievements/Notables: **The Eagles faced some early challenges this season, participating in two non-NCBA sanctioned tournaments hosted by UW-Madison and Illinois State. Competing against strong teams in high-pressure situations helped us grow together as a team before conference play started. In the Madison tournament, we finished pool play with a 2-1 record against three D1 opponents. We then earned second place in the Illinois State tournament, narrowly losing to Notre Dame, 6-7. During conference play this fall, we went undefeated, winning both our home series and two away series. This success is a demonstration of the dedication and hard work from every one of our players.**

It really is a full circle moment for us seniors, who turned the program around as freshman a few years ago, to be able to teach lessons on and off the diamond to the young guys. It is a blessing to experience the program grow first hand with momentum that I believe the league is not prepared for. Roll Toms!"
