National Club Baseball Association

*The Official Game
Day Program*

Family, Friends, and Fans of the NCBA,

We welcome you to Lloyd Hopkins Field here in beautiful Alton, IL. We are excited to have you in attendance for the 2025 NCBA DII World Series. For twenty-five years now, student athletes from colleges and universities across the country have competed for the chance to play for a National Championship. 2025 marks the third year the event will be held at Lloyd Hopkins Field, as our Division I World Series shares this same facility the week following our event.

For those who are not familiar with the concept of Club Baseball, a Collegiate Club Baseball Program allows students the opportunity to continue playing competitive college baseball after high school. The beauty of Club Baseball is that these organizations are student run. Scheduling, travel planning, equipment purchasing, fundraising, and the rest of the off field management falls directly upon the shoulders of the elected student officers. When young motivated college students put forth the required effort to run a successful Club Baseball Program just for the opportunity to continue playing, what you end up with are perfect ball players. By that we mean those who play for the sheer excitement of the game. They play for themselves. They play for the love of the game. For this reason alone, each one of these “Ball Players” is already a champion. Please take the time to congratulate them on the hard work they’ve put forth to make their Club Baseball Program successful enough to earn a chance to compete for the National Championship.

We would like to extend our appreciation to various sponsors & entities giving us the opportunity to make this event happen; Alton Sports Tap, the Alton River Dragons, Great Rivers & Routes Tourism Bureau. Our corporate sponsors; Rawlings Sporting Goods, Easton & The Game. Without their support and enthusiasm, this event would not have been possible. We would also like to thank you, the families and fans, for coming and supporting Collegiate Club Baseball all across the United States. We have experienced tremendous growth within our organization, and as the NCBA continues to develop in the upcoming years, we hope that your interest will too. Thank you again for coming to the ballpark and we’re sure you’ll enjoy all the action.

Sincerely,

Sandy Sanderson
President
National Club Baseball Association

Eric Curitore
Vice President of Baseball Operations

"This spring we have had a really successful season. We went 14-1 in conference play. We attended a NCBA spring training event and won every game. We swept the regionals. The last 3 seasons we have had our season cut short by GCU. So this team was hungry not to let that happen again. This team is full of energy. We are excited to compete in the World Series."

"West Chester is excited to return to Alton to defend our National Title. We have a deep and talented roster from top to bottom, with 17 players returning from last years National Championship Team. The Rams came into the Fall with a target on our back everywhere we went, and we realize that same target shines much brighter at Lloyd Hopkins Field. We fully expect a battle in every single game and we wouldn't want it any other way."

"As a first-year team in the league, our goal from the start was to win our conference. After accomplishing that, we kept the momentum going with a hard-fought win over Penn State to secure our spot in the World Series. Now, we're thrilled for the opportunity to compete in Alton and chase a World Series title. "

ANY SPORT EVERY COMPETITOR

A black and white photograph of a soccer team lined up on a grassy field. The players are wearing dark jerseys and light shorts. In the foreground, a portion of a metal fence is visible. The background shows a clear sky and some trees.

"This season has been the best season in our clubs history. Starting in the fall we worked hard to build a team that would be ready for this exact moment and we have done just that. Our players have worked hard each and every week battling the difficulties between academics and playing club baseball. I could not be prouder of this team and coaching staff. Coach Zellers and Haynes has each sacrificed their time every weekend to help us be the best we can be. We made playoffs for the first time in the clubs history and went undefeated in the Dixie playoffs clinching a spot to the World Series and we look forward to competing against all the other teams."

"The Mountaineers have battled adversity all year on the way to their first regional championship since 2019. After a slow start to the spring season, they got hot going into regionals winning 8 of their last 9 including going 3-0 in the regional playoffs. It is the whole team's first time at the World Series and everyone is on board to try and take home the championship. Let's Go Mountaineers!"

“This season has been an incredible ride — from day one, our team brought passion, resilience, and a true love for the game. This past weekend showed just how far we’ve come, with everyone stepping up and playing their hearts out. We’re proud of what we’ve accomplished, but we’re not done yet. All eyes are on next week and the World Series — we’re ready to leave it all on the field.”

"After a clean sweep at the Rocky Mountain Regional Tournament, the Griz are looking to stay hot as they descend on Alton for their first-ever NCBA World Series appearance. With a 17-5 overall record, the Griz have played strong all year, utilizing a key influx of new talent and a strong core of returners. Through hard-fought conference wins and many weekends of travel, the Griz have clawed their way to new heights and look forward to playing high-quality, competitive baseball on the national stage!"
